Arneill

Fitting letters inside a shape can be tricky but taking it step-by-step can make it an easy and fun challenge!

- Step 1: Draw a margin around the inner shape of the item.
- Step 2: Break the space into letter areas and add margins.
- Step 3: Sketch in letters, filling as much of the letter space as possible.
- Step 4: Finalize your letter shapes, watching for legibility.
- Step 5: Add embellishments to finish the piece.
